Sir:

I, Philip S. Davis, hereby declare as follows:

I am the inventor of the subject matter described in the patent application identified above and inventor of claims 1-21 described and claimed therein.

Prior to April 3, 2003, I had completed my invention described and claimed in the subject patent application in this country as evidenced by the following:

- a. On February 23, 24 and 28, 2003, I created document files on my computer that served as the basis for the U.S. Navy's "RECORD AND DISCLOSURE OF INVENTION" and "PATENT RIGHTS QUESTIONNAIRE" as evidenced by the file

creation dates that appear on a directory listing of these files attached hereto as Exhibit A.

b. A printout of each of the files listed in the above paragraph is attached hereto as Exhibit B with the associated file name being handwritten thereon.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above referenced application or any patent issuing thereon.
